The Application of

Satoru KATAGAMI et al.

Group Art Unit: 2871

Application No.: 10/043,244

Filed: January 14, 2002

Docket No.: 111373

For: APPARATUS AND METHOD FOR PRODUCING
COLOR FILTERS BY DISCHARGING MATERIAL

MAIL STOP PETITION

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT -
OFFICE ACTION NOT RECEIVED**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Examiner Cleveland telephoned the offices of the undersigned on August 27, 2004 to indicate that an Office Action (Restriction Requirement) had been issued on February 20, 2004 and that this application was now abandoned for failure to respond to the Office Action. A Notice of Abandonment has not yet been received.

The United States Patent and Trademark Office is respectfully requested to withdraw any holding of abandonment because the February 20, 2004 Office Action was not received. A search of the file jacket and docket records indicates that the Office Action was not received.

Attached to this communication are three docket records for the law firm of Oliff & Berridge, PLC. Appendix A is a listing of all the responses in our office with a due date of March 20, 2004. Had the February 20, 2004 Office Action been received, it would have been entered into the docketing records showing a base date of February 20, 2004, and a due date of March 20, 2004. The attached docket record for March 20, 2004, does not identify this case by our attorney docket number (111373).

Appendix B is a computerized docket sheet for this particular application showing the docketed due dates for this application. Appendix C is a photocopy of the file jacket for the application where docket entries are entered manually. Had the Office Action been received, the Office Action and the March 20, 2004 due date would have been entered onto the computerized docket sheet and the file jacket.

In view of the foregoing, it is respectfully submitted that: 1) the February 20, 2004, Office Action was not received by Oliff & Berridge, PLC; 2) a search of the file jacket and docket records indicates that the Office Action was not received; and 3) the attached docket records show where the non-received Office Action would have been entered had it been received and docketed, and demonstrates that the Office Action under attorney docket number 111373 dated February 20, 2004, was not received nor docketed for a response due on March 20, 2004.

As this Petition does not result from any error on the part of the undersigned, it is respectfully submitted that no Petition fee is due. However, please debit Deposit Account No. 15-0461 as needed in order to ensure revival of the application. Please telephone the undersigned if any questions arise in connection with this matter.

Accordingly, in accordance with the Notice at 1156 OG 53 (November 16, 1993), and MPEP §711.03(c), it is respectfully requested that the application be revived, and that the non-received Office Action be remailed to the attorneys of record.

Respectfully submitted,

James A. Oliff
